Schedule 5 - Issue of Stapled Securities on exchange of RENTS

1 Issue of Stapled Securities

- (a) Subject to the adjustments in clauses 1(b), 2 and 3 of this schedule 5, for the purposes of determining the number of Stapled Securities to be issued in accordance with the Exchange Process for each RENTS, the number is to be calculated in accordance with the following formula:

$$\text{Number of Stapled Securities} = \frac{R}{RV - (\text{Exchange Discount} \times RV)}$$

Where:

R means the aggregate of the Realisation Amount and the Unpaid Distribution Amount (less, for the avoidance of doubt, any Deduction);

RV means the VWAP (expressed as a dollar value) calculated in respect of the period of 20 Business Days immediately preceding, but not including, the Realisation Date.

- (b) If the total number of Stapled Securities to be issued, as calculated in accordance with clause 1(a), includes a fraction, that fraction will be disregarded.
- (c) The Issue Price of such Stapled Securities is to be an amount equal to:

$$RV - (\text{Exchange Discount} \times RV).$$

2 Adjustments following de-stapling

If one or more of the Units comprising the Stapled Securities is de-stapled, then the DEXUS RENTS Trustee will make all calculations in relation to payment and Exchange and any other adjustment as the DEXUS RENTS Trustee reasonably considers appropriate or necessary to maintain the appropriate relativity.

3 Adjustments for a Change of Control Event

If an Exchange results from a Realisation Notice given as a result of the occurrence of a Change of Control Event, the denominator in the formula in clause 1 will be 98% of the offer price under the takeover bid or the consideration under the scheme or, in the case of non-cash consideration, the value thereof as reasonably determined by an independent expert appointed by the DEXUS RENTS Trustee.

Notwithstanding the foregoing, if after a Change of Control Event relating to a scheme occurs, the scheme is not approved by holders of Stapled Securities, the Change of Control Event shall be deemed never to have occurred and in order to ensure that action is not taken prematurely the time period of 25 Business Days prior to the Realisation Date following the issue of the Realisation Notice (referred to in clause 4.5(b) of the RENTS Terms of Issue) shall be extended if necessary so that it expires on the date of such approval and any notices given as a result of such event will be revoked;

VWAP is the average of the daily volume weighted average sale prices per Stapled Security sold on ASX on each Business Day during the relevant periods specified elsewhere in the RENTS Terms of Issue (so that if there are 20 Business Days in such period, the volume weighted average sale price per Stapled Security on each of those Business Days shall be determined, and then those volume weighted average sale prices shall be averaged to give the VWAP), but in determining such daily volume weighted average sale prices there shall not be included any transaction defined in the ASX Market Rules as a “special”, crossings prior to the commencement of normal trading, crossings during the after hours adjust phase, crossings during the closing phase, overnight crossings or any overseas trades or trades pursuant to the exercise of options over Stapled Securities or other trades which the Trustee reasonably considers are not fairly reflective of normal market supply and demand.

For the purposes of calculating VWAP, if, on some or all of the Business Days in the relevant period, Stapled Securities have been quoted on ASX as cum dividend, or cum any other distribution or entitlement, but Stapled Securities will be issued under this deed ex such dividend, other distribution or entitlement, then the VWAP on the Business Days on which those Stapled Securities have been quoted cum dividend, other distribution or entitlement shall be reduced by an amount equal to:

- (a) in the case of a dividend or other distribution, the amount of that dividend or other distribution including, if the dividend or other distribution is franked, the amount that would be included in the assessable income of the recipient of the dividend or other distribution who is a natural person;
- (b) in the case of an entitlement which is traded on ASX on any of those Business Days, the average of the daily volume weighted average sale price for such entitlement sold on ASX during the relevant period on the Business Days on which those entitlements were traded; or
- (c) in the case of an entitlement not traded on ASX during the relevant period, the value of the entitlement as reasonably determined by the Trustee.

Conversely, where on some or all of the Business Days in the relevant period, Stapled Securities have been quoted on ASX as ex dividend or any other distribution or entitlement, but Stapled Securities will be issued under this deed cum such dividend, other distribution or entitlement, then the VWAP on the Business Days on which those Stapled Securities have been quoted ex dividend, other distribution or entitlement shall be increased in accordance with clauses (a), (b) and (c) above in this definition of VWAP (with the necessary changes).

Where a specified period is stated in relation to the determination of VWAP and on any of the Business Days during that period Stapled Securities were subject to a trading halt or suspended, the period shall be extended by the number of Business Days on which the Stapled Securities were not able to be traded or were suspended.
