Income distribution payment dates

The APN Property for Income Fund, APN Property for Income Fund No. 2 and APN AREIT Fund all accrue income monthly. For quarterly distributing funds, income accrues at the end of March, June, September and December.

Distributions and statements are normally paid and sent on the day nominated following the end of the month or quarter, unless the day falls on a non-business day, in which case distributions and statements will be paid and sent on the next business day. We encourage all investors to have distributions payable by electronic transfer and do not generally pay by cheque.
