Dear Investor

We are pleased to enclose the distribution statement for your investment in the APN AREIT Fund for the quarter ended 31 December 2021.

A total distribution of 2.0865 cents per unit (CPU) was paid over the quarter. By annualising the December 2021 monthly distribution of 0.6955 CPU, this reflects an annualised yield of 4.92% after all fees and expenses, based on the 31 December 2021 redemption price of \$1.6961 per unit.

The distribution was deposited into your nominated bank account on 10 January 2022 if you receive your distributions as cash. Those investors who chose to have their distributions reinvested will receive their distribution as additional units in the Fund.

If withholding tax has been deducted from your distribution you are either a non-resident investor or you have not supplied us with a Tax File Number (TFN) or an Australian Business Number (ABN). Please provide us with your TFN or ABN if you wish to avoid future deductions of withholding tax.
