Delivering enhanced property solutions

DEXUS continued to work with tenants to provide property solutions, successfully securing a long term commitment from existing tenant Powercor at 40 Market Street, Melbourne, 15 months after the property's acquisition and well ahead of lease expiry.

DEXUS acquired the property as a trading opportunity in January 2013 and will undertake a high quality base building upgrade including new lifts, lobby enhancements, upgraded plant and equipment, new end-of-trip facilities and refurbished toilets and amenities.

Kevin George said: "We are pleased to have been able to deliver an enhanced property solution which is mutually beneficial for DEXUS and Powercor at 40 Market Street. The new lease together with the property improvements will reposition 40 Market Street and, in turn, enhance investor returns."
