Dear Security holder

For the first six months of the financial year we have continued to benefit from office occupier and investor demand for quality properties in our core markets, achieving record Melbourne rents and strong asset valuation uplifts. Our funds management business has seen a significant increase in interest from offshore investors seeking to invest directly in quality office properties. These factors combined with recent transactional evidence and the lower for longer interest rate environment, reinforce our view that there will be further increases in asset values.

We upgraded our market guidance for distribution per security growth from circa 5% to circa 5.5% for the 12 months ending 30 June 2020.

Details relating to the achievements across the group during the six months to 31 December 2019 can be found on the reverse side of your distribution statement and in the HY20 Results release, which is available at www.dexus.com

Please find enclosed your distribution statement for the six months ended 31 December 2019.

Distribution payment

Dexus delivered Funds from Operations (FFO) of \$378.2 million, or 34.5 cents per security and a distribution of 27.0 cents per security for the six months ended 31 December 2019, consistent with the previous corresponding period.

Cheque distribution payments now replaced by Direct Credit

In November 2018, following approval at the Annual General Meeting, Dexus implemented Mandatory Direct Credit for Australian and New Zealand Security holders, replacing all cheque distribution payments.

If you previously received your distribution payment by cheque and have not provided your bank account details, your distribution payment this period has been withheld at this time. Please refer to the back page of your enclosed distribution statement for instructions on how to update your bank account details.

Please note that all payments will be withheld until your bank account details have been provided and interest will not accrue on withheld payments. Once your bank account details have been recorded, a payment will be made within 10-20 business days.
