### Dexus recognised excellence across Australia's agency community

Property professionals from across Australia have been honoured at the 26th annual Excellence in Agency Awards for their outstanding contribution to Dexus's leasing and transaction success.

31 finalists gathered at The Star in Sydney to celebrate their success in concluding leasing and property transactions for the 2019 financial year on behalf of Dexus or its third party capital partners.

Dexus Executive General Manager, Office, Kevin George said: "It's been another great year for Dexus across both leasing and transactions, and these awards are recognition of the contribution and support of our agency partners towards these strong results.

"We leased more than 680,000 square metres of space across the group in FY19 and this activity resulted in our portfolio being at almost full occupancy.

"It was also a busy year of transactions, with \$3.9 billion of assets transacted for Dexus and our third party capital partners. This included opportunities for site consolidation and industrial land which will see Dexus play a major role in the evolution of Australia's major capital cities over the next decade."

The winners of Dexus's Excellence in Agency Awards for 2019 were:

- **Office Agency of the Year:** Colliers International, nationally
