Note 1. Summary of significant accounting policies

(a) Basis of preparation

This general purpose interim financial report for the half year ended 31 December 2008 has been prepared in accordance with the requirements of the Trusts' Constitutions, AASB 134: *Interim Financial Reporting* and the *Corporations Act 2001*.

This financial report is prepared on the going concern basis and in accordance with historical cost conventions and has not been adjusted to take account of either changes in the general purchasing power of the dollar or changes in the values of specific assets, except for financial assets at fair value through profit and loss.

The financial report does not include notes of the type normally included in an annual financial report. Accordingly this report is to be read in conjunction with the annual financial report for the year ended 30 June 2008 and any public pronouncements made by the Trusts during the half year in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

(b) Critical accounting estimates

The preparation of Financial Statements may require the use of certain critical accounting estimates and management to exercise its judgement in the process of applying the Trusts' accounting policies. Other than the estimation of fair values relating to financial assets, no key assumptions concerning the future or other estimation of uncertainty at the reporting date have a significant risk of causing material adjustments to the Financial Statements in the next reporting period. The accounting policies followed in relation to the determination of these critical accounting estimates are the same as those applied in the Financial Statements for the year ended 30 June 2008.

(c) Rounding of amounts

The Trust is the kind referred to in Class Order 98/0100, issued by the Australian Securities and Investment Commission, relating to the rounding off of amounts in the financial report. Amounts in the financial report have been rounded off in accordance with that Class Order to the nearest thousand dollars, or in certain cases, the nearest dollar.

Note 2. Financial assets at fair value through profit or loss

Name of Entity	Principal activity	31 Dec 2008	30 June 2008

DOT Commercial Trust	Commercial property investments	204,000	204,000
Total financial assets at fair value through profit or loss		204,000	204,000

On 15 June 2005, the Trust purchased 1,976,320 preference units in DCT for \$100 each. Preference units do not confer on their holders any rights on the winding up of DCT or any rights to distributions. However, where a distribution is declared to preference unitholders, this distribution must be paid in preference to any distribution declared to ordinary unitholders. Preference units hold no voting rights in relation to DCT, other than where the matter is in relation to the rights of the preference units. In these matters, each preference unit carries 1,000 votes on a poll.

Note 3. Contributed equity

	31 Dec 2008	30 June 2008

Closing balance at the end of the period	2,040,001	2,040,001

Terms and Conditions

Each preference unit ranks equally with all other preference units for the purposes of distributions and on termination of the Trust. The one ordinary unit holds all the voting rights in the Trust, but has no beneficial interest in the Trust assets. The preference units hold the beneficial interest in the assets of the Trust. Payment of distributions to preference unitholders is at the Directors' discretion.

The preference units entitle holders to receive non-cumulative quarterly floating rate distributions at a margin of 130 basis points above the 90-day bank bill rate. The preference units may be exchanged for cash or stapled securities in DEXUS Property Group on 30 June 2012 (the Step-up Date). For each distribution period following the Step-up Date, the margin will increase by a once only step-up of 2 percent per annum unless the preference units are repurchased or exchanged.

Payments which become due and payable to holders are guaranteed on an unsecured and subordinated basis by the Responsible Entity of each of the DEXUS Property Group stapled trusts (each a guarantor). This guarantee ranks ahead of the distribution payments on stapled securities, but is subordinated to the claims of senior creditors.

Note 4. Distributions paid and payable

Note 5. Contingent liabilities

The Directors of the Responsible Entity are not aware of any contingent liabilities in relation to the Trust, other than those disclosed in the Financial Statements, which should be brought to the attention of unitholders.

Note 6. Events occurring after reporting date

Since the end of the half year, the Directors of the Responsible Entity are not aware of any matter or circumstance not otherwise dealt with in their Directors' Report or the Financial Statements that has significantly or may significantly affect the operations of the Trust, the results of those operations, or state of the Trust's affairs in future financial periods.

Independent auditor's review report to the members of DEXUS RENTS Trust

Report on the Half Year Financial Report

We have reviewed the accompanying half year financial report of DEXUS RENTS Trust, which comprises the balance sheet as at 31 December 2008, and the income statement, statement of changes in equity and cash flow statement for the half year ended on that date, other selected explanatory notes and the directors' declaration for DEXUS RENTS Trust (the Trust).

Directors' responsibility for the half year financial report

The directors of DEXUS Funds Management Limited (the Responsible Entity of the Trust) are responsible for the preparation and fair presentation of the half year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the half year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express a conclusion on the half year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of an Interim Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Trust's financial position as at 31 December 2008 and its performance for the half year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of DEXUS RENTS Trust, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. It also includes reading the other information included with the financial report to determine whether it contains any material inconsistencies with the financial report. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

For further explanation of a review, visit our website <http://www.pwc.com/au/financialstatementaudit>.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by directors or management.

Matters relating to the electronic presentation of the reviewed financial report

This review report relates to the financial report of DEXUS RENTS Trust (the Trust) for the half year ended 31 December 2008 included on DEXUS RENTS Trust's web site. The Responsible Entity's directors are responsible for the integrity of DEXUS RENTS Trust's web site. We have not been engaged to report on the integrity of this web site. The review report refers only to the statements named above. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the reviewed financial report to confirm the information included in the reviewed financial report presented on this web site.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half year financial report of DEXUS RENTS Trust is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Trust's financial position as at 31 December 2008 and of its performance for the half year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.
