DXI | dexus

Dexus
Industria REIT

ASX Corporate Governance Council Principles and Recommendations 4th edition

This Corporate Governance Statement was approved by the Dexus Asset Management Limited Board ("Board") on 9 August 2023.

Dexus has implemented a corporate governance framework that applies to all funds including Dexus Convenience Retail REIT ("DXC") and Dexus Industria REIT ("DXI") ("the funds"). Dexus Asset Management Limited ("DXAM") acts as Responsible Entity for the Managed Investment Schemes of both DXC and DXI.

These funds benefit from leveraging Dexus's funds and property management expertise to drive growth and performance.

Dexus (and the Board of DXAM) believe that good corporate governance supports:

- A culture of ethical behaviour resulting in an organisation that acts with integrity
- Improved decision-making processes
- Better controls and risk management
- Improved relationships with stakeholders
- Accountability and transparency

The framework adopted by Dexus meets the requirements of the ASX Corporate Governance Principles and Recommendations Fourth Edition ("ASX Principles") and addresses additional aspects of governance which Dexus (and the Board of DXAM) consider important.

The framework, as summarised in the Statement, has been designed to ensure that the funds meet ongoing statutory obligations, and the DXAM Board discharges its responsibilities to all stakeholders and acts with compliance and integrity.

Our Commitment and Fund Overview

Dexus Industria REIT ("Fund") is comprised of the following four trusts and one company (including their various subsidiary trusts and companies):

- Industria Trust No. 1
- Industria Trust No. 2
- Industria Trust No. 3
- Industria Trust No. 4
- Industria Company No. 1 Ltd ("IC1")

Securityholders in the Fund hold a unit or share of each of the above entities that are stapled together, such that an individual unit or share in one of the above entities may not be transferred or dealt with without the others. The Fund is listed on the Australian Securities Exchange ("ASX") under code DXI.

DXAM is the Responsible Entity of each of the four trusts. The boards of DXAM and IC1 co-operate to ensure that the interests of the Fund are aligned, and therefore, have adopted the same practices and processes. For simplicity, in this Corporate Governance Statement, all reference to DXAM, Responsible Entity, Board or Fund should be read as including and referring also to IC1 and its board of Directors and governance practices, wherever the context permits and unless otherwise stated.

DXAM is committed to achieving and demonstrating the highest standards of governance. The Fund's Corporate Governance Statement ("Statement") has been prepared in accordance with the principles and recommendations set by the ASX Principles, and any departure from these ASX Principles are stated below.

This Statement outlines the main corporate governance practices in place throughout the financial year from 1 July 2022 to 30 June 2023 ("Reporting Period") and incorporates the requirements of market regulators, adopted codes and terms of reference, documented policies and procedures and guidance from industry best practice.

As DXAM and the Manager do not employ staff directly, the necessary management and resources for the operation of the Fund for the Reporting Period were provided by Dexus. For this reason, staff are governed by Dexus policies. To assist stakeholders in accessing key documents outlining DXI's approach to corporate governance, the policies, terms of reference and codes referred to in this Statement are available on the Dexus website at www.dexus.com/corporategovernance and the Fund's website at www.dexus.com/investor-centre/listed-funds/dexus-industria-reit/corporate-governance.

This information is updated throughout the year, as policies and procedures are reviewed.

1.1 Board responsibilities

The framework adopted by Dexus ensures accountability and a balance of authority by defining the respective roles and responsibilities of the Board and Executive Management, including delegated authority (as outlined in the Terms of Reference for the Board and the Group Management Committee).

The Board is responsible for the overall management and governance of the Fund. The Board is governed by DXAM and the Fund's Constitutions, the Compliance Plan, the Corporations Act 2001 (Cth), ASX Listing Rules, its Australian Financial Services Licence and all applicable laws.

The Board has expressly reserved its powers in relation to certain matters and has delegated its powers in relation to other matters to management which enables the Board to maintain a focus on strategic guidance while exercising effective oversight. The Board has delegated the day-to-day management of the Fund to the Group Management Committee and Senior Executives, including the Fund Manager, all of whom are required to work within authority limits and delegations set out in the Operating Limits or otherwise by way of decisions and determinations of the Board. These delegations are reviewed on a regular basis.

The Board has adopted a Terms of Reference that details the functions and responsibilities of the Board. The Board's Terms of Reference is available at www.dexus.com/investor-centre/listed-funds/dexus-industria-reit/corporate-governance.

The Board's responsibilities include (but are not limited to):

- Approving (in consultation with Management) the strategy of the Funds for which it acts as Responsible Entity
- Approving the funding strategy and borrowing limits of the Funds for which it acts as Responsible Entity
- Providing leadership to, and challenging Management while overseeing the implementation of the Funds' strategy
- Approving periodic market guidance and ensuring the Funds make timely and balanced disclosures to the market of all material information
- Approving the financial statements and ensuring appropriate financial controls are in place to support the integrity of accounting and reporting systems
- Approving significant acquisitions, divestments, capital expenditure and developments of the Funds for which it acts as Responsible Entity
- Approving the Compliance Management Framework and Risk Management Framework (including Risk Appetite Statement)
- Overseeing compliance with regulatory requirements and Dexus's Codes of Conduct including management's approach to address conduct that is materially inconsistent with Dexus's values and Codes of Conduct
- Appointing the Chair of the Board
- Appointing and replacing the Chief Executive Officer (CEO)
- Approving the appointment of the Company Secretaries

Non-Executive Directors are entitled to take independent advice at the cost of Dexus in relation to their role as members of the Board.

1.2 The Role of the Chair and appointment processes for Directors

The role and responsibility of the Chair includes leading the Board, facilitating the effective contribution of all Directors, and promoting constructive and respectful relations between Directors, and between the Board and management. The Chair is also responsible for promoting the interests of the Fund to investors and regulators. The Chair agrees the agenda of all Board meetings including the time allocated to each agenda item.

The Board of DXAM and IC1 comprises four Non-Executive Directors (including the Chair) and one Executive Director.

The Board of IC1 has determined that all Directors will stand for election by investors. If a nominated Director fails to receive a majority vote, that Director will cease to be appointed to the Board of IC1.

DXI investors are provided all material information relevant to a decision on whether to elect or re-elect a Director. The Director seeking re-election will, at the AGM, speak to their intentions and provide further background information and confirmation that they have maintained independence and will continue to devote the appropriate time to fulfil their responsibilities.

Non-Executive Directors will hold office for three years following their first appointment (or, if appointed by the Board between Annual General Meetings, from the date of the Annual General Meeting after the initial appointment). Where a Director seeks to extend their appointment past the initial three-year period, and the Board is in agreement, re-election will be sought at the next AGM.

At the time of appointment, each Non-Executive Director is required to sign a letter of appointment which sets out the terms and conditions of appointment. The letter outlines the term of office, requirements for independence, role and responsibilities.

Executive Directors, Senior Executives and other members of the Group Management Committee are also required to enter into an employment agreement setting out their terms of employment.

Background checks of newly appointed Non-Executive Directors are conducted and include:

- National Police Check
- ASIC Banned and Disqualified Register check
- ASIC Authorised Representative search
- ASIC Enforceable Undertaking Register search
- APRA Disqualified Register check
- Directorships check
- AML/CTF Global Official Lists check (sanctions list)
- Public record check
- Academic Qualification check
- Employment History check
- Bankruptcy Record check

The process for selecting and appointing new Directors to the Board can be found at www.dexus.com/corporategovernance.

1.3 Company Secretaries

Company Secretaries play an important role in supporting the effectiveness of the Board and Board Committees. Company Secretaries are appointed by the Board and are responsible for ensuring the smooth running of the Board and Board Committees and that governance matters are appropriately addressed. They are accountable to the Board, through the Chair, the CEO and the Chair of the Audit, Risk & Compliance Committee on all matters relating to the proper functioning of the Board and the Audit, Risk & Compliance Committee. A Company Secretary attends all meetings. All Directors have direct access to the Company Secretaries for guidance and assistance.

In addition, the Head of Governance is also responsible for the development and oversight of governance and company secretarial arrangements across the Dexus platform, ensuring that Dexus continues to meet legislative requirements, industry best practice and the Board's governance expectations.

1.4 Group Management Committee responsibilities

The Group Management Committee, led by the Chief Executive Officer, is responsible for setting Dexus's purpose, values and strategy and achieving Dexus's goals and objectives, including the prudent financial and risk management of the group. The Group Management Committee generally meets monthly.

The members of the Group Management Committee are:

- Chief Executive Officer & Executive Director (Chair)
- Chief Financial Officer
- Chief Investment Officer
- Chief Operating Officer
- Executive General Manager, Funds Management
- Executive General Manager, Group Strategy
- Executive General Manager, Office
- Executive General Manager - Industrial, Healthcare and Alternates
- Executive General Manager - Retail

1.5 Diversity

Dexus supports a diverse and inclusive workplace and has created a culture that is flexible and adaptive to the changing needs of its industry. Dexus is committed to diversity and inclusion principles and promotes a work environment conducive to the merit-based appointment of qualified employees, senior management and Directors. Where professional intermediaries are used to identify or assess candidates, they are made aware of Dexus's commitment to diversity and inclusion.

Dexus is committed to building a culturally inclusive workplace and continues to track the diversity of its workforce across a range of factors including cultural background, country of origin, sexual orientation, gender identity and age.

Diversity targets are approved by the Board. Progress against targets is reported to the Group Management Committee and Dexus's Board People & Remuneration Committee.

Dexus publishes annual statistics on the diversity profile of its Board and senior management, including a breakdown of the type and seniority of roles performed by women. This information is available at www.dexus.com/corporategovernance.

Dexus acknowledges and fulfils its obligations under relevant employment legislation including the Workplace Gender Equality Act 2012 (WGEA).

Dexus will lodge its 2023 WGEA report containing its most recent Gender Equality Indicators and a copy will be available on Dexus's website at www.dexus.com.

Dexus has set a gender diversity target that at least 33% of Non-Executive Directorships are to be held by women and a 40:40:20 target (40% male, 40% female, 20% any gender) for senior and executive management by 30 June 2023.

As at the date of this statement, women on the Board of DXAM and IC1 represented 75% of Non-Executive Directors and 38.3% of Senior and Executive Management roles across Dexus. Women comprise 56.3% of Dexus's overall workforce.

Dexus is mindful that the percentage of women in senior and executive management roles has not met the target and continues to put in place initiatives to increase female representation at these levels of the organisation. Dexus remains committed to advancing gender equality and to working to achieve the 40:40:20 target at senior and executive management levels by the end of FY23. Dexus's definition of 'Senior Management' is disclosed in its Diversity Target which is available at www.dexus.com/corporategovernance.

Diversity and flexibility are also a key focus of the Champions of Change Property Coalition. Dexus's Chief Executive Officer, Darren Steinberg is an active member of the Champions of Change Property Coalition. The Coalition's focus on driving gender equality in the property industry has resulted in members implementing initiatives relating to flexibility to increase the number of women in the property industry and in leadership roles.

Dexus's Future Leaders in Property program provides young women with exposure to the property industry, including the chance to experience a live build and see how it impacts the community. The program provides students with a unique opportunity to gain industry knowledge, while also empowering women to make study and career decisions confidently.

Flexibility at Dexus provides every employee with the opportunity to have a say in when, how, or where their work is performed. Dexus supports and encourages flexible work practices to increase personal wellbeing and employee engagement, improve team performance and motivation, maximise productivity, retain talent, and encourage an organisational culture of diversity and inclusion.

Dexus's Inclusion and Diversity Policy is available at www.dexus.com/corporategovernance.

1.6 Performance of the Board

The Dexus Board Nomination Committee oversees the DXAM Board performance evaluation program. The evaluation process looks at the performance of the Board and its committees. Individual Director performance is also evaluated. Where feedback is sought on the performance of the Chair of the Board, results will be provided to the Chair of the Dexus Board. When appropriate, an independent expert is retained to conduct the evaluation. Any areas for improvement identified in the performance evaluation process are agreed by the Dexus Board Nomination Committee which oversees the implementation of process enhancements.

The process for Board performance evaluation can be found at www.dexus.com/corporategovernance.

Dexus also has a process for evaluating the performance of the Chief Executive Officer and its other Senior Executives which will be disclosed in Dexus's Remuneration Report. For a description of the performance evaluation process, please refer to the Dexus Remuneration Report which is contained in the 2023 Dexus Annual Report which is available at www.dexus.com/investor-centre.

2.1 Dexus corporate governance structure

The Board has established an Audit, Risk & Compliance Committee ("ARCC") to assist in discharging its responsibilities.

As part of the Dexus group, Dexus's Board Nomination Committee, People and Remuneration Committee and ESG Committee also assist the Board in discharging its responsibilities.

Board and ARCC membership and responsibilities are reviewed regularly to ensure maximum effectiveness. The Terms of Reference for the Board and ARCC are reviewed at least annually.

Non-Executive Directors have a standing invitation to attend any or all ARCC meetings. Each Board (and ARCC) meeting considers improvements to reporting or processes that would benefit the Board or ARCC, as well as any items that require immediate reference to the regulator (where applicable).

The Dexus Board Nomination Committee oversees all aspects of:

- Board renewal
- Board and Board Committee performance evaluation
- Board Committee membership
- Director nominations

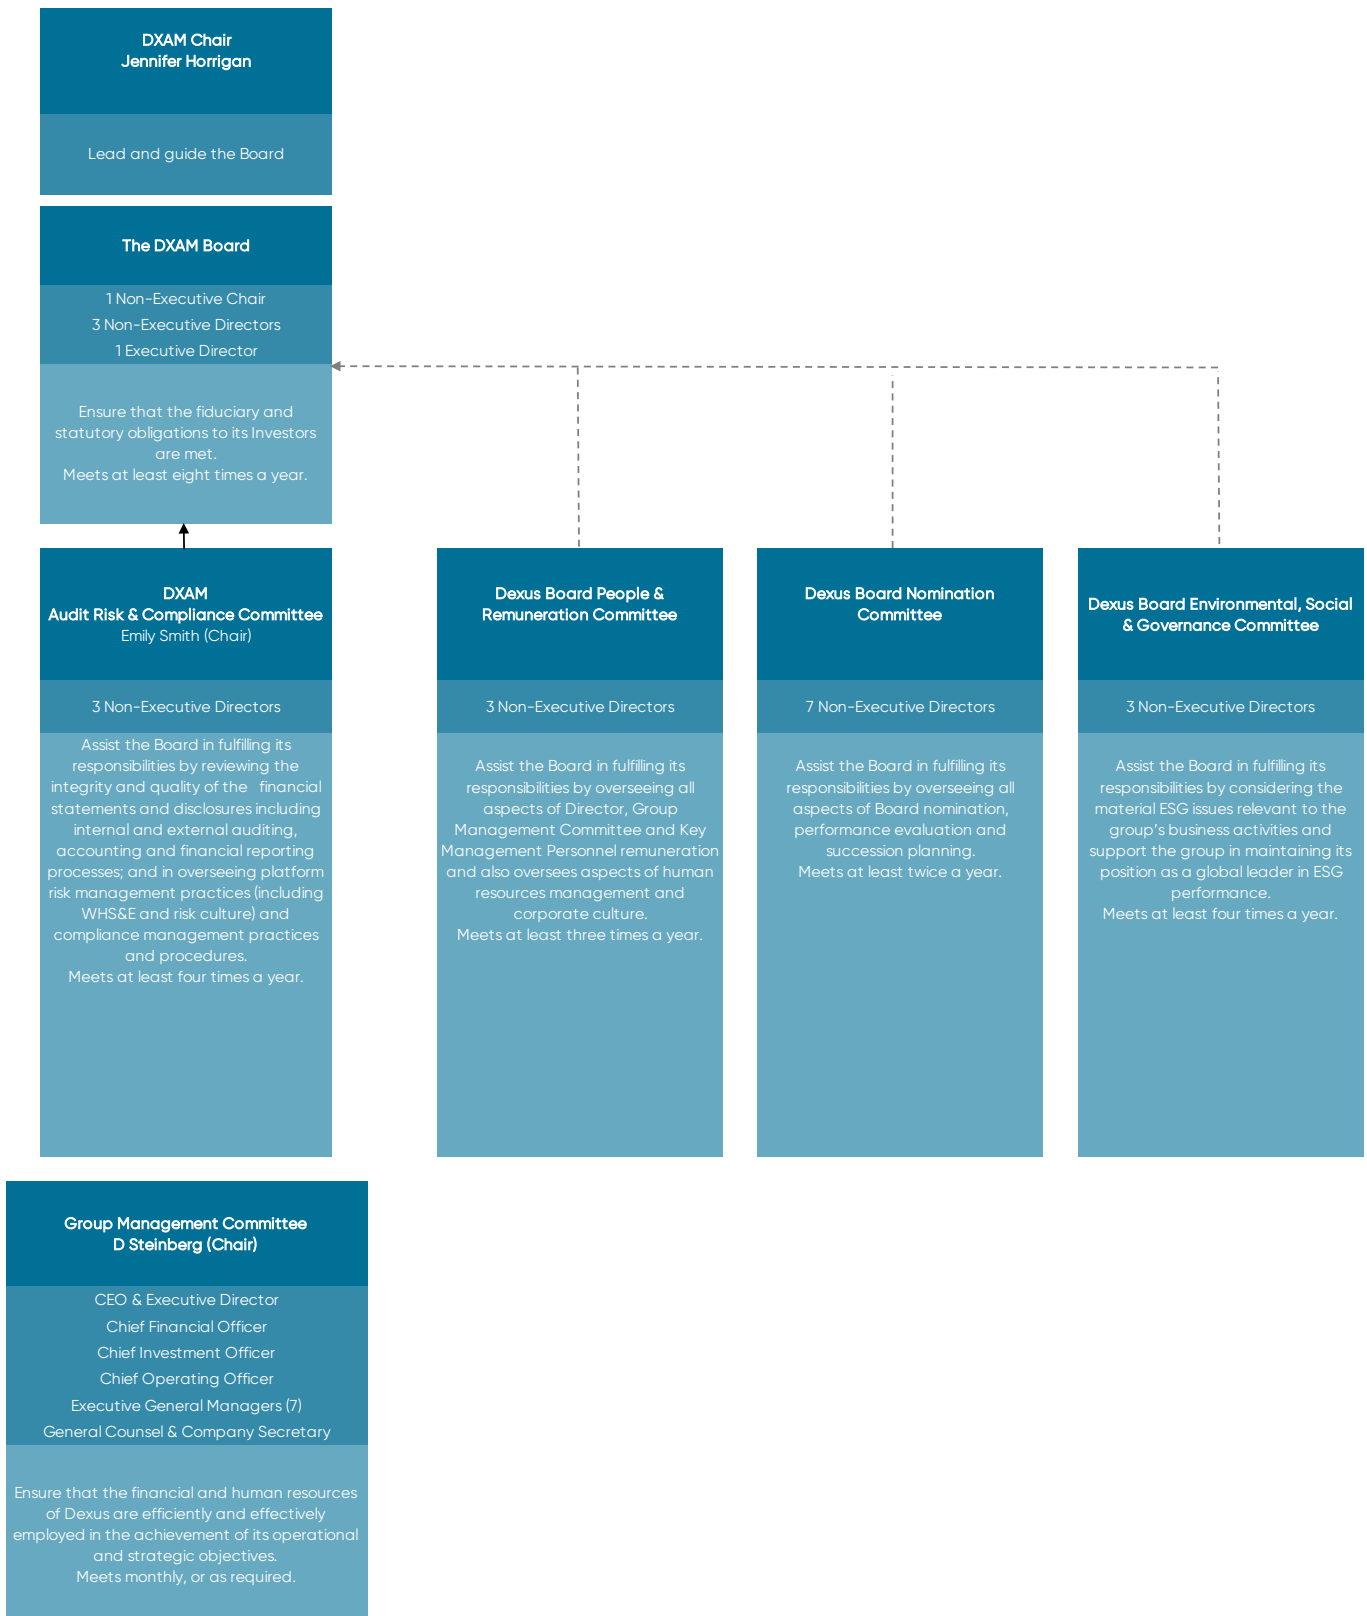

The Dexus Board Nomination Committee meets at least twice a year.

The Dexus Board Nomination Committee Terms of Reference can be found at

www.dexus.com/corporategovernance.

2.1 Dexus corporate governance structure (continued)

The Board and Board Committees are supported by Group Management Committee as set below.

2.2 Board matrix

The Dexus Board Nomination Committee is responsible for reviewing the size, composition, diversity, skill and desired competencies of the Boards and Board Committees (and recommending approval by the Board).

The Dexus Board Nomination Committee has identified the skills and expertise deemed necessary for the Board to fulfil its obligations. The following table outlines the required skills and expertise that the Board should possess.

The Board has also determined that, along with individual Director performance, Director diversity is integral to a well-functioning board.

In determining skills and experience of individual Directors, reference has been made to their employment history, directorship history and educational qualifications. These are assessed against the above criteria and Directors are asked to review the assessment. The Board has reviewed the skills of the current Directors against the skill categories in the table below and determined that the current composition of the Board meets or exceeds the minimum requirements in each category.

With the input of Dexus, the Board has adopted a skills matrix to ensure that there is an appropriate mix of skills and experience on its Board and the ARCC to enable the Board to deliver the Responsible Entity's objectives, and to effectively discharge its corporate governance and oversight responsibilities.

The following table sets out the key skills and experience that the Board considers to be most relevant, and which are represented collectively on the Board:

2.4 Board independence

Non-Executive Directors must be free of any business or other relationship that could interfere materially with the exercise of their unfettered and independent judgement.

The Board has determined that each Non-Executive Director is independent as each Non-Executive Director:

- Is not a substantial Security holder of DXS, DXC or DXI, nor otherwise associated with a substantial Security holder of DXS, DXC or DXI
- Is not employed, nor within the last three years has been employed, in an Executive capacity by Dexus
- Has not been within the last three years, a principal or an employee of a material professional adviser or a material consultant to Dexus
- Has not been a material supplier or customer of Dexus, or otherwise associated with a material supplier or customer
- Has no material contractual relationship with Dexus (other than as a Non-Executive Director)
- Has not served on the Board for a period which could, or could reasonably be perceived to interfere materially with the Director's ability to act in the best interests of DXAM
- Is free from any interest and any business or other relationship which could, or could reasonably be perceived to, interfere with the Director's ability to act in the best interests of DXAM
- Is free from family ties or cross-directorships that may compromise Director independence
- Does not receive performance-based remuneration from Dexus nor do they participate in a Dexus employee incentive scheme

The Board regularly assesses the independence of its Directors in light of interests disclosed to it and has determined that each Non-Executive Director has maintained independence throughout the year. The Board continues to review its composition, experience and Director tenure.

Non-Executive Directors confirm on-going independence at each Board meeting and advise the Chair of any matter that could compromise their independence (including the activities of close family and associates). The Chair is independent and not the same person as the Chief Executive Officer.

2.5 Induction programs for new Directors

The Induction Program for newly appointed directors is comprehensive and includes familiarisation with structures, policies and legal documents and accounting matters including (but not limited to):

- Outline of the Corporate and Committee structure
- Organisational charts providing details of business units
- Terms of Reference for the Board, ARCC and relevant Dexus Board Committees
- Minutes of the previous Board and ARCC meetings
- A copy of the Constitution
- A copy of the Business Plan
- Dexus Compliance Management Framework
- Dexus Risk Management Framework
- Risk Appetite Statement
- Dexus Sustainability Approach
- Key Dexus policies including:
 - Directors' Code of Conduct

 - Continuous Disclosure Policy
 - Diversity and Inclusion Policy
 - Whistleblower Policy
 - Political Donations Policy

The Induction Program is reviewed periodically.

Newly appointed Directors are offered meetings with senior management to gain an understanding of the business, its operations, history, culture and key risks. Directors are expected to be adequately informed in respect of relevant industry and regulatory issues and changes.

2.6 Election and re-election of Non-Executive Directors

To enable DXI investors to make an informed decision in relation to the re-election of a Non-Executive Director, the following information is made available to DXI investors either on the Dexus website corporate governance page, provided in the Notice of Meeting, or presented by the Non-Executive Director at the AGM.

- Biography of professional qualification and experience

- Details of other directorships
- Length of service on the IC1 Board
- Confirmation that the Board considers the candidate is determined to be an Independent Director
- Confirmation from the Board that it supports the re-election and the reason

2.7 Meetings

The Board generally meets between February and December, with additional meetings held throughout the year as required. A Board calendar is developed and agreed at least 12 months ahead of the new calendar year. The calendar provides dates of Board and ARCC meetings.

Board meetings are normally held at the registered office of Dexus, although some meetings may be held 'offsite' allowing Directors to visit owned and managed properties. To maximise participation, video conferencing facilities are utilised as required.

Each standard Board meeting includes a Non-Executive Director only session, led by the Chair. Senior management are available to provide clarification or answer questions Directors may have either prior to the Board meeting or may be invited to attend and present at Board meetings.

Board and ARCC papers are provided to Directors electronically at least five business days prior to the meeting.

Any action items identified by the Directors are recorded in the minutes. The Company Secretary ensures that the action items are appropriately addressed, and progress is reported to the Board and ARCC.

Agenda items for Board meetings are set by the Chair in conjunction with the Company Secretary and include (but are not limited to):

- Fund Manager's report
- Minutes of ARCC meetings
- Reports on asset acquisitions, divestments and developments
- Management presentations
- Other business where Directors can raise any topical matters

Directors are expected to attend all scheduled meetings and have access to all Board and ARCC papers and minutes. Apologies are recorded by the Company Secretary.

Minutes of the Board meeting are tabled at a subsequent Board meeting. Attendance records at Board meetings are provided in the Director's Report of the Fund's Annual Report.

2.8 Access to training and information

Directors receive regular presentations by management and external advisers regarding sector, fund, and industry specific trends. Non-Executive Directors are encouraged to seek additional information from management as necessary.

Director Forums are scheduled bi-annually where external experts present on key matters such as work health and safety, cyber security and regulatory updates. Directors are encouraged to suggest topics for presentation.

Non-Executive Directors are actively involved in inspections of properties both collectively and individually and are encouraged to pursue professional development opportunities to maintain the skills and knowledge needed to perform their role as Director effectively at the group's expense.

Should a Non-Executive Director wish to seek independent professional advice that they believe is necessary to discharge their responsibility as a Director, the matter is initially referred to the Chair. Where the Chair determines it is appropriate that advice be sought by the Non-Executive Director, Dexus will pay for such advice. To ensure all Directors are equally appraised, the advice will be provided to all members of the Board.

2.9 Membership on other Boards

The Board acknowledges that membership of other boards is beneficial and accordingly supports and encourages its members to hold directorships on other boards including charitable, community and not-for-profit boards.

The Board also acknowledges that concurrent service on multiple boards by DXAM and IC1 Directors may impact their overall performance and ability to devote adequate time to each board/position. The Board recognises that the time required to fulfil each directorship role varies and, has determined that it is not appropriate to set a limit on the total number of directorships held.

Directors will consider the number of directorships they hold to ensure they have sufficient time to attend to the affairs of DXAM and IC1. Should a Director wish to accept directorships in addition to those already held, the matter is referred to the Chair for consideration.

Where the Chair wishes to accept directorships or other commitments, the matter is referred to the Chair of the Dexus Board for consideration.

The group's Securities Trading (including inside information) Policy applies to Directors and employees who wish to trade in Dexu securities (including DXS, DXC and DXI) for themselves or on behalf of an associate.

The policy requires any Director who wishes to trade in Dexu securities to obtain approval from the Chair and General Counsel. Should the Chair wish to trade in Dexu securities, approval is required from a Non-Executive Director and the General Counsel.

Employees wishing to trade in Dexu securities must obtain written approval from their Group Management Committee member and Head of Governance before entering into a transaction.

Directors and employees are permitted to trade Dexu securities only in defined trading windows, provided approval has been granted and only if they are not in possession of inside information.

In the event that the Chair, Chief Executive Officer, Group Management Committee member or the General Counsel considers that there is the potential that inside information may be held or that a significant conflict of interest may arise, trading will not be permitted, even during defined trading windows.

Where a conflict of interest is identified, the Compliance team liaises with the business representatives to ensure effective and timely management of the conflict.

The General Counsel provides a report to the Board on related party transactions on a monthly basis and the Head of Compliance reports conflicts of interest to the ARCC each quarter.

Where there is an actual, potential or perceived conflict of interest between the personal interests of a Director and the duties the Director owes to Dexu or DXAM, the Director is required to disclose the circumstances to the Chair for determination as to the most appropriate method by which to manage the conflict.

A Director with an actual, potential or perceived conflict in relation to a matter before the Board will be excluded from attending that part of the Board meeting. Papers and minutes in relation to the matter will not be provided to the Director.

3.5 Sustainability and responsible investment

The Dexu Board Environmental, Social & Governance (ESG) Committee oversees the management of ESG issues and implementation of initiatives to maintain the group's position as a leader in sustainability practices.

The Dexu Board Environmental, Social & Governance Committee meets at least quarterly.

To ensure continuous disclosure obligations are met, Dexus has the following procedures in place:

- Ongoing education of Managers and Directors ensuring all parties clearly understand the ASX Listing Rule obligations and the consequences of a breach
- Efficient reporting channels capturing information that potentially requires disclosure and bringing it to the immediate attention of the Fund Manager or the General Counsel
- An effective monitoring system which helps ensure ongoing compliance
- A clear and concise policy outlining obligations and expectations of Dexus employees in the identification and management of matters that may require disclosure to the market

Dexus has established a Continuous Disclosure Committee to assist in the identification and reporting of material matters to the market in the spirit of legislation and regulations.

The Continuous Disclosure Committee members comprise:

- General Counsel & Company Secretary (Chair)
- Chief Executive Officer
- Chief Financial Officer
- Chief Investment Officer
- EGM Funds Management (when the issue relates to DXAM)

The Continuous Disclosure Committee meets on a regular basis to consider whether any disclosure obligation is likely to arise as a result of the activities being undertaken by the group.

The effective operation of the Continuous Disclosure Committee ensures:

- Investors continue to have equal and timely access to material information, including the financial status, performance, ownership and governance of the Fund
- Announcements are factual and presented in a clear and balanced way

Management is required to provide a quarterly attestation to the Compliance team that issues within their area of responsibility that would be subject to continuous disclosure requirements have been dealt with in accordance with the Continuous Disclosure Policy.

The Chair will then decide whether the issue should be further referred to the full Board or a nominated Board Committee or Sub-Committee prior to any market release being made, if considered appropriate.

The Board has a standing agenda item for it to assess if there are any matters that should be disclosed to the market.

All ASX announcements include a statement that the announcement is authorised by the Board or the Company Secretary.

All Directors are promptly provided with copies of ASX announcements and media releases after they have been released.

Presentations provided at investor or analyst briefings are uploaded to the ASX Market Announcement Platform ahead of the presentation.

Any exceptions require the approval of the General Counsel or Chief Financial Officer.

Key disclosures such as Annual and Half Yearly reports are uploaded on the Material Approvals Database for review and approval.

Verification software assists in the collection of documentation that verifies statements made in the report.

The veracity of verification is subject to review by the Compliance team. Relevant Managers ensure that where Compliance has requested additional information, that information is provided to the satisfaction of the Compliance team prior to finalisation of the document.

The Continuous Disclosure Committee or the Board may request Compliance undertake a review of verification on any document prior to release to the ASX.
