APN is pleased to announce the launch of two new funds

A quality St Kilda Road commercial property investment

The **APN 541 St Kilda Road Fund** is a single asset, closed-end property fund with a forecast initial distribution yield of 9.00%¹pa, paid monthly.

Located only minutes from Melbourne's CBD and purchased at a historically low relative price, 541 St Kilda Road is positioned for capital growth as capital values rise in tune with the property cycle.

The property is underpinned by a high quality anchor tenant, excellent location, high land value and a strongly performing leasing market.

The APN 541 St Kilda Road Fund commenced operation on 3 May 2013 and remains open to new investment.

APN Asian REIT Fund - experience the growth story

APN is also pleased to introduce the **APN Asian REIT Fund** which was launched on 23 April 2013.

Home to 60% of the world's population, Asia is experiencing rapid urbanisation and GDP growth which is fast outpacing the western world. The sheer magnitude of the region and its projected rise is remarkable.

The APN Asian REIT Fund is a property securities fund that invests in a quality portfolio of Asian Real Estate Investment Trusts (REITs). Actively managed by APN's on-the-ground investment team in Singapore, the APN Asian REIT Fund aims to deliver a competitive yield, long term capital growth and lower risk than the index.

The Fund has been awarded a 'Recommended' rating and '4 stars' respectively from leading Australian research houses; Lonsec² and SQM Research³.
