Investment objectives

The primary investment return objectives of the Fund are to:

- › Deliver a gross annual income yield (before management fees and expenses) that equates to at least 110% of the average yield of the S&P/ASX 300 AREIT Index Dividend Yield
- › Provide a level of capital growth which at least matches increases in CPI over a 5–7 year time horizon
- › Provide lower than market volatility.³

Benefits

- › Focus on generating sustainable, regular and relatively high income returns through investing in listed property securities.
- › Access to an underlying diversified portfolio of thousands of quality commercial real estate assets predominantly located in Australia.
- › Has paid monthly distributions.⁴
- › Actively managed (non-index aware) portfolio, applying a highly disciplined and proven strategy designed to deliver on the Fund's income and risk objectives.
- › Liquid – daily applications and withdrawals (under normal market conditions but withdrawals can take longer in certain cases as set out in the PDS).

This Fund is suited to:

- › Medium to long term investors who are looking for an income focused investment and the potential for some long term capital growth
- › Investors wanting access to a diversified portfolio of AREITs primarily owning quality commercial real estate.
